AOMA Associate Membership

AOMA offers it's associate members the opportunity to get in touch with our jobber members who comprise the majority of petroleum wholesalers, c-store retailers and service station owners in Arkansas. AOMA will also keep it's associate members up to date on the changes and growth opportunities in our industry.

AOMA associate members are listed in our annual directory and only members may advertise in this publication. The AOMA directory is a resource used daily by our members. This is a great opportunity to have your name and product in front of your target audience for an entire year.
